COMPREHENSIVE DENTAL CLINIC

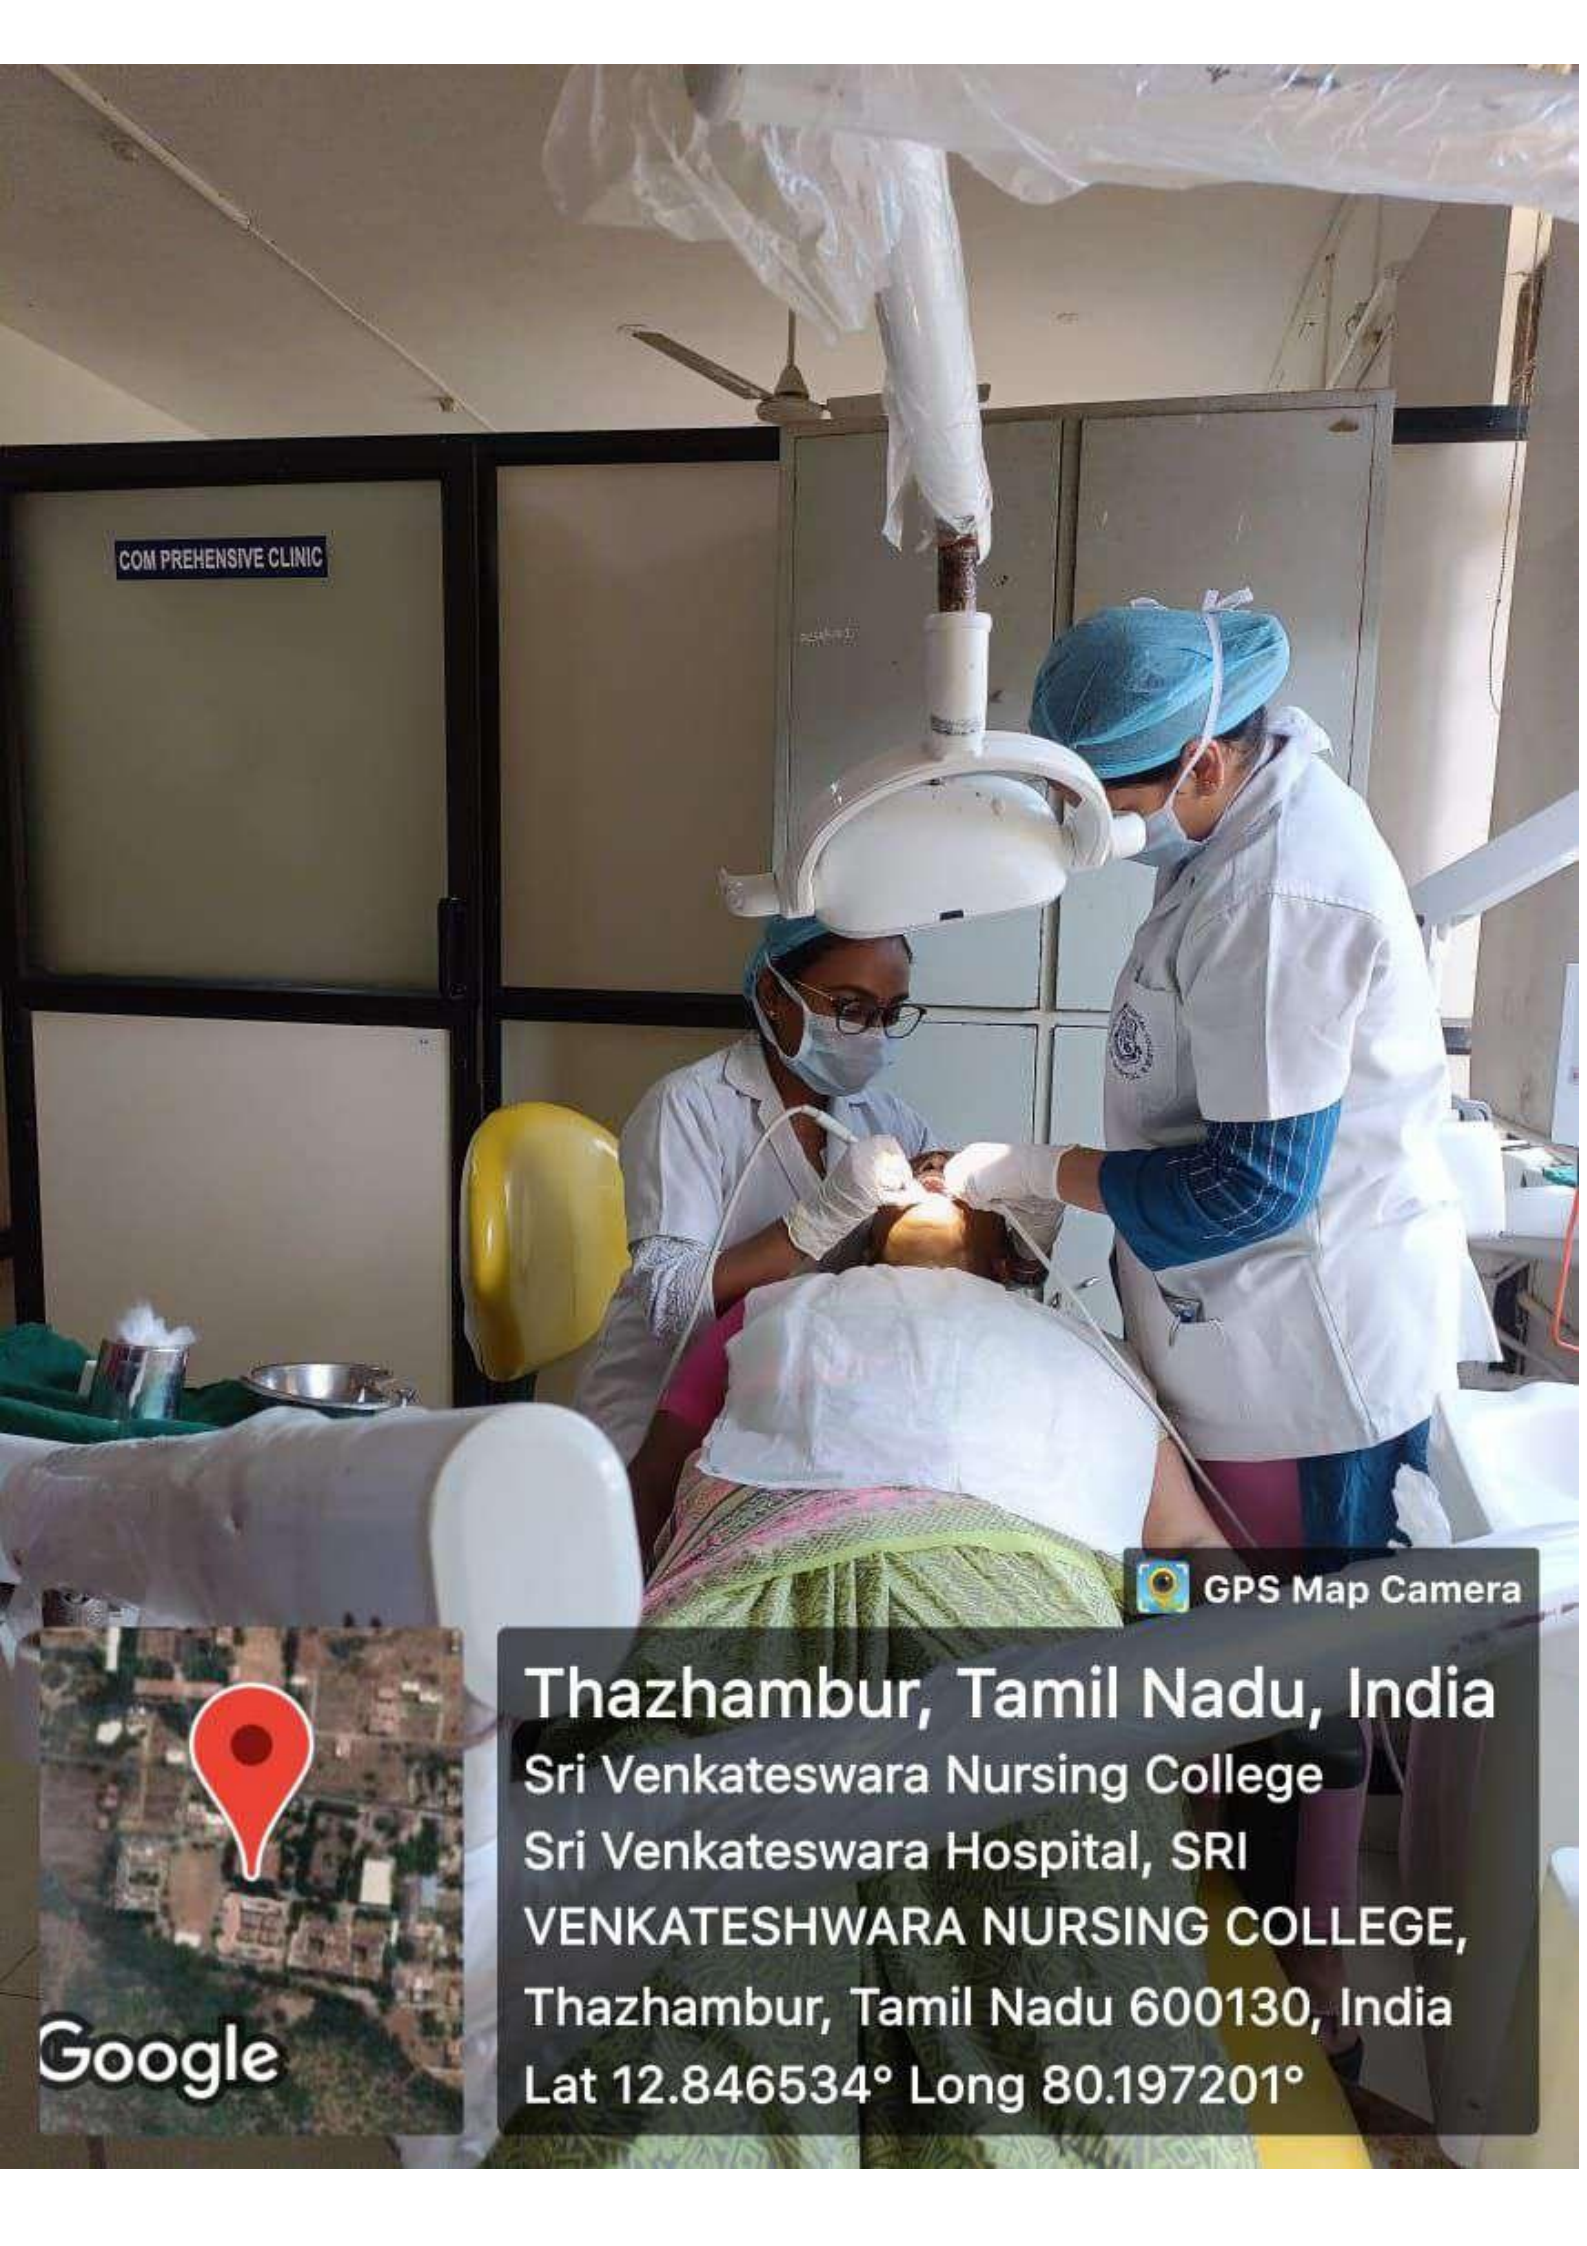

Comprehensive Dental Clinic is functioning in our college effectively to provide treatment for patients all under one roof. Interns and Final years from department of Public Health Dentistry are posted regularly and once recording of case history along with Comprehensive treatment plan. Patient is referred and treated in this clinic.

Basic treatments like Oral prophylaxis, Dental restorations, Extractions are done by Interns and final years. Complicated procedure like Root canal treatment, Impaction, Periodontal therapy are discussed, guided and monitored by the concerned dental specialist.

Our Motto is to provide best treatment to the people at an affordable cost than other private dental clinics.
