

Anti Ragging Measures

Practice of familiarizing beginners with their seniors has now turned into a potent tool for ill-treating and punishing poor students if they fail to obey their seniors. Ragging is strictly prohibited in the college campus or outside. The senior students are advised and warned about the consequences of ragging and the fresher's are counseled regarding the same. Anti Ragging Boards are put up at the College, Canteen and Hostel. Boards containing phone numbers to be contacted to complain about ragging are also put up at prominent places.

Regular rounds are conducted in college, hostel and canteen and surprise raids are also conducted to check the menace of ragging.

There have been no incidences of ragging in the college. But suspension for a month will be given to the person who rags as a first warning and the second incidence of ragging the student will be terminated from the college.

Undertakings are taken from both the student and parents not to indulge in ragging and any anti college activities.

Anti Ragging Committee Members

Chairman – Principal	Dr. Lodd Mahendra	9840124020
Members		
Public Representative	: Mr. Dhanasekar	9962506202
